### PACKAGE CONTENTS

- Rechargeable Speaker
- 3.5mm audio cable
- USB Charging cable
- User guide
- Music Coupon

### PRODUCT DESCRIPTION

1. DC 5V charging jack
2. Power ON/OFF

### GETTING STARTED

To open speaker, gently press down on unit and it will pop up, revealing the USB charging port.

### CHARGING THE BATTERY

1. To use the included USB Charging cable, plug one end into the DC 5V jack located at the bottom of the unit and the other end into a USB powered port or any other USB AC adapter (not included).
2. The battery is fully charged in 1.5 hours.
3. The red LED light indicates that the unit is charging and turns off when the battery is fully charged. You can disconnect the cable when charging is complete.

### USING THE SPEAKER

1. Unwind the Audio Jack from the bottom of the speaker and plug it into your music device.
2. Turn on the speaker and adjust the volume by moving the ON/OFF switch to the right. The blue light indicates that it's on.
3. Turn on your music device and enjoy. The battery will last up to six hours on a single charge.
4. To stow the speaker simply detach it from the music player, turn it off, press down and tuck the audio jack back into the slot in the bottom of the speaker.

**NOTE :** When the sound becomes distorted or the LED light starts flashing, indicates the battery is low and the speaker needs to be recharged.

### BEFORE USE

**To open speaker:** gently press down on unit and it will pop up, revealing the USB charging port. DO NOT pull on the unit once it is open, as it will automatically extend to the proper position.

#### To close the speaker:

Press the top and bottom of the unit together and twist the top of unit clockwise to lock into place.

**NOTE :** Keep the rubber feet of the unit clean to reduce vibration. Use the speaker on a smooth, clean surface, a textured surface may result in unwanted vibration and diminished sound quality.

 Pulling the expandable speaker into the open position too forcefully may lead to permanent damage and void the warranty.
